SCIENCE IS
WONDER-FUL!

100th

ANNIVERSARY OF
THE EUROPEAN
RESEARCHERS' NIGHT

*Brussels, Autoworld Museum
23 September 2015, 10.00 to 20.00*

PROGRAMME

Powered by Marie Skłodowska-Curie actions

Education
and Culture

Open to the public, part of the NIGHT will encompass a number of 'edutainment' activities to stimulate the audience's curiosity, challenge the communication skills of the researchers present at the event, and bring together the two communities - researchers and general public.

10.00 – 20.00

STANDS:

EU CORNER: DISCOVER WHAT THE EU CAN DO FOR YOU!

General information on EU affairs and opportunities with special focus on Education & Research

HANDS-ON EXPERIMENTS

Showcased by MSCA researchers from several fields

CHAT CORNER: «CHAT WITH FELLOWS & DISCOVER RESEARCH»

Face-to-face interviews with MSCA fellows to find out more about their experience as researchers

MISCELLANEOUS ACTIVITIES:

SCIENCE SLAM: RESEARCHERS

Showcasing their research projects in three minutes! Rounds start at: 15.00, 17.00 and 19.00

EXHIBITION OF THE MOST 'RELEVANT' RESEARCH ACHIEVEMENTS

An exhibition of the best-scored inventions and discoveries

EUROPEAN RESEARCHERS' NIGHT VIDEOS

BIG POSTER PUZZLE

THE NIGHT HISTORY WALL

A wall displaying a selection of the promotional material created for the NIGHT in the past

PHOTO WALL

A wall displaying photos from NIGHT events around Europe since 2005

RESEARCHERS' STORIES

A selection of real-life stories of researchers linked to the NIGHT

AND MANY OTHER ACTIVITIES TO JOIN IN:

Do the quiz and win a prize! Participate in different activities and even meet Marie Skłodowska-Curie and Pierre Curie themselves!

18.00 – 19.00

ICE BREAKER: DEBATE ON RESEARCH!:

Public debate with Stefaan Vaes, Francqui Prize Winner 2015, and Gerlinde de Deyn, former MSCA researcher

19.00 – 19.30

SCIENCE SLAM CONTEST FINAL

In collaboration with:
